Ready to relocate immediately upon visa approval.

=====

PROFESSIONAL SUMMARY

=====

Cybersecurity Engineer with 7+ years of experience, complemented by 6+ years in software development and 2+ years in AI/ML. Built production-ready AI fintech systems, medical imaging AI tools, and Telegram-based applications. Seeking EU Tech Visa sponsorship to bring rare combination of cybersecurity, development, and AI skills to UK, Germany, Netherlands, Austria, Belgium, or EU tech industry.

=====

WORK EXPERIENCE

=====

CYBERSECURITY SPECIALIST (Freelance / Remote)

2018 – Present | 7+ years

- Conducted security audits, identifying and patching an average of 12 critical vulnerabilities per quarter
- Implemented network monitoring systems that reduced security incidents by 40%
- Performed penetration testing and vulnerability assessments
- Prepared detailed security reports and remediation plans for management

CYBERSECURITY SPECIALIST BlueDevTech Solutions LLC

2020 – 2023 | 3 years

- Maintained quality service by following organization security standards
- Communicated system status to users and stakeholders

- Maintained technical knowledge through continuous education and workshops
- AI/ML ENGINEER
(Self-directed / Project-based)

2023 – Present | 2+ years

- Built ClariScan: YOLOv8-based fracture detection from X-rays with PDF reports
- Developed MediScan: PyTorch multi-disease medical image analysis
- Created Gem: Multi-AI provider educational assistant
- Engineered PlutoPay: AI fintech assistant with voice/image banking

SOFTWARE DEVELOPER (Self-directed / Project-based)

2019 – Present | 6+ years

- Built Stock-Sight-Telegram: Real-time stock alert Telegram bot
- Developed full-stack web applications with Flask and database integration
- Created multiple Telegram bots with user session management
- Deployed applications to Render cloud platform

MARINE ENGINEERING INTERN

Aknuelad Nigeria Limited

2022 – 2023 | 1 year

- Maintained marine engine and power plant systems
- Developed diagnostic troubleshooting workflow

EDUCATION

HIGHER NATIONAL DIPLOMA (HND), MARINE ENGINEERING

Maritime Academy of Nigeria | 2023 – 2025

ORDINARY NATIONAL DIPLOMA (OND), MARINE ENGINEERING

FCFMT | 2019 – 2022

SECONDARY SCHOOL CERTIFICATE (SSCE)

Eko Boys High School | 2012 – 2018

CERTIFICATIONS & AWARDS
